Our Search for Belonging on Apple Books
About Our Search for Belonging. We are living in a time of mounting political segregation that threatens to tear us apart as a unified society. The result is that we are becoming increasingly tribal, and the narratives of life that we get exposed to on a daily basis have become echo chambers in which we hear our beliefs reinforced and others ' beliefs demonized.

From Berrett Koehler Publishers: Our Search for Belonging
I still feel like there was a missed opportunity to examine the pernicious impact of social media on this "search for belonging" but after a poor start (too much right vs left guff for me), this did an admirable job of looking into how we might "belong" to more than just the group we seek to belong to and how we might actually connect across tribal lines.
