Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

You Cannot Be Serious!!! Despite as per usual waking to the aural delight that is, Jitterbug (Wham at their finest), I just didn't feel like myself. From the moment I awoke, I thought of the events that transpired last night. My emotions were like that of a pubescent Puerto Rican chick from Southern-California. AS…

Share the Moment: John McEnroe coins "You cannot be serious"
Coincidence for me that Neil Pert of Rush passed this week as I put John McEnroe's "You Cannot be Serious" in the pile of books which I will not finish. I tried to read Ghost Rider about 14 years ago. Both suffer from profound arrogance and a total lack of humility. Both suffer from an extremely repetitive writing style.
