1988 for the 1984 to 1988 model years. The Fiero was designed by George Milidrag and Hulki Aldikacti as a sports car. The Fiero was the first two-seater Pontiac since the 1926 to 1938 coupes, and the first, mass-produced mid-engine sports car by a U.S. manufacturer. Many technologies incorporated in the Fiero design such as composite panels were radical for their time.
