I believe this procedure supercedes the

procedure outlined in the OMC Cobra Service Manual. My copy of the OMC document is dated "10/17/96", and I believe it to be the latest and final word OMC will ever utter on this topic. Fortunately, it is reasonably clear and easy to follow, and I am very satisfied with my results.

Hello, I am new to the boating world. Recently purchased a 1989 VIP boat with an OMC Cobra engine with a 4.3 L engine. I bought the boat for \$1,500, I thought that was a good deal. The boat was running well the first 3 times we took it to the water. After checking the oil, the oil was gray and milky.
