2007 Chevrolet TrailBlazer Specifications, Details, and ...

It's been over six years since I messed with that so I'm a bit fuzzy on details. I took the 7 pin connector loose from the bracket, plugged in the four pin adapter and then routed it over to the right side of the hitch opening, zip tying the adapter wiring to the hitch or something and leaving the four pin plug just behind the plastic grill piece where I can reach in and get it when I want to tow.
