Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember the website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at special requests from some of you. Others are still at preparatory stage and will be implemented soon.
