Addresses key questions such as what happiness is and whether or not happiness should play such a dominant role in our lives. Considers the ways in which major thinkers from Plato and Aristotle through to Nietzsche and Freud have treated happiness.

A History of 'Happiness' | HuffPost Life

Community Reviews. Great brief philosophical history of happiness. It takes you from an ancient span to the present. Many worthy sentences are there. Gave up midway. The writing's too academic, and I cannot seem to understand what point the writer is trying to make. A survey of philosophical attempts to grapple with the idea of happiness.

A brief history of happiness (Book, 2006) [WorldCat.org]

Neuroscientist and Buddhist monk Matthieu Ricard teaches that durable happiness as a way of life requires training the mind and developing qualities like inner peace, mindfulness, and altruistic love. The Dalai Lama agrees, describing happiness as a skill requiring effort and time to develop an understanding of the true nature of reality.

The History of Happiness - Harvard Business Review

WHITE, Nicholas. A Brief History of Happiness. Oxford: Blackwell Publishing, 2006. x + 174 pp. Paper, \$18.95--In his Brief History of Happiness, Nicholas White offers a brisk, informative, and readable account of various attempts, throughout the Western philosophical tradition, to articulate the meaning of that elusive term "happiness."

A Brief History of Happiness | History of Philosophy ...

First of all, this book isn't really "a brief history of happiness." Rather, it's an exploration of what Western philosophers have had to say about happiness, especially ancient Greeks and Romans. This limitation of course leaves a lot out, including both non-Western philosophy as well as ideas from outside of philosophy, so I think the book's title overpromises and is

misleading.

A Brief History Of Happiness

First of all, this book isn't really "a brief history of happiness." Rather, it's an exploration of what Western philosophers have had to say about happiness, especially ancient Greeks and Romans. This limitation of course leaves a lot out, including both non-Western philosophy as well as ideas from outside of philosophy, so I think the book's title overpromises and is misleading.
