Guide to North American Birds | Audubon

Organized by first by general type (swimmers, aerialists, long-legged waders, smaller waders, fowl-like birds, birds of prey, nonpasserine
passerine - or perching - land birds) and then by family (sandpipers, owls, blue finches, etc.), finding an entry for that songbird sitting in
your window is a breeze, especially since you can disregard most sections and get right to the area (in this case, passerine birds) likely
