Oxford History of the United States - Wikipedia

The military history of the United States spans a period of over two centuries. During those years, the United States evolved from a neutral nation fighting Great Britain for independence (1775–1783), through the monumental American Civil War (1861–1865) and, after collaborating with the Allies to triumph during World War II (1941–1945), to the world's sole remaining superpower from the late 20th century to present.
