body, language and sociality.

A. N. Whitehead and Social Theory - Anthem Press

This article introduces the work of A.N. Whitehead and analyses his relevance to contemporary social theory. It demonstrates how a range of authors have recently utilized the work of Whitehead across a range of topics and holds that there is a need for a general introduction to his work that will open up his ideas and possible impact to a wider readership.

A.N. Whitehead, Information and Social Theory

Alfred North Whitehead was born in Ramsgate, Kent, England, in 1861. His father, Alfred Whitehead, was a minister and schoolmaster of Chatham House Academy, a school for boys established by Thomas Whitehead, Alfred North's grandfather. Whitehead himself recalled both of them as being very successful schools, but that his grandfather was the more extraordinary man.
