A Of Political Economy

International political economy (IPE), also known as global political economy (GPE), refers to either economics or an interdisciplinary academic discipline that analyzes economics, politics and international relations. When it is used to refer to the latter, it usually focuses on political economy and economics, although it may also draw on a few other distinct academic schools, notably ...

International political economy - Wikipedia

The PhD Program in Political Economy and Government (PEG) combines rigorous training in economics, formal theory, and methods with a substantive focus on the interaction between economic and political institutions and processes. It involves many of the world's leading political economists and is aimed at students who aspire to top academic or policy-making careers.
