Amazon.com: Customer reviews: A Prehistory of Ordinary People

A people's history is the history as the story of mass movements and of the outsiders. Individuals not included in the past in other type of writing about history are part of history-from-below theory's primary focus, which includes the disenfranchised , the oppressed , the poor , the nonconformists, the subaltern and the otherwise forgotten people.

A prehistory of ordinary people (Book, 2010)

[WorldCat.org]

Many fear that these activities will ultimately produce legions of scatterbrained zombies but, as Monica Smith's A Prehistory of Ordinary People suggests, perhaps we should not be too hard on them. She argues that multitasking remains just as central in a modern classroom as it was for our prehistoric ancestors.
