Slow dancing can take many forms, and it changes over time. But most slow dancing has its roots in the foxtrot, and it ' s just the mixing of single and double rhythm to slow music. The foxtrot is a smooth, elegant and versatile dance that fits easily to slow and romantic music.

3 Ways to Slow Dance - wikiHow  
You better slow down, don't dance so fast, time is short, the music won't last. When you run so fast to get somewhere, you miss half the fun of getting there. When you worry and hurry through your day, it's like an unopened gift thrown away. Life isn't a race, so take it slower, hear the music before your song is over.
