Airbus A319/320/321 Notes

The A320 hydraulic system is composed of three different and fully independent circuits: Green, Yellow & Blue. The users are shared between the systems in order to ensure the control of the aircraft, even when one system is inoperative. On the blue hydraulic system, the normal source of pressure is the electrical pump, and the auxiliary

A320 Engineering Manual - Reno Gazette-Journal

In this manual, you as a pilot, will learn about main flight concepts and how the A320 works

during normal and abnormal operations. This is not a technical manual about systems, it's a manual about of flight philosophy. This manual is based on the original Airbus manual called "The Flight Crew Training Manual" which is published as a
