AC/DC: The Savage Tale of the First Standards War  
The one very difficult and long part to read is the animal experiments done electrocuting dogs and horses, to prove falsely that AC was more dangerous than DC. But the characters of Edison, whose stubbornness doomed him with only DC, and the savvy of Westinghouse to adopt AC, are vivid.

AC/DC: The Savage Tale of the First Standards War ...  
AC/DC tells the little-known story of how Thomas Edison bet wrong in the fierce war between supporters of alternating current and direct current. The savagery of this electrical battle can hardly be imagined today. The showdown between AC and DC began as a rather straightforward conflict between technical standards, a battle of competing methods to deliver essentially the same product, electricity. But the skirmish soon metastasized into something bigger and darker.
