"love." 1.

What Is Love Addiction? | Psychology Today

Relationship addicts crave unconditional love, but live in constant fear of abandonment if they don't live up to their own impossible standards. They want to be free to love, but often trap themselves in a relationship by becoming pregnant or by weaving some other type of emotional spider web.

I was addicted to love and toxic relationships

Love Plus Addiction Love and codependency may coexist or be hard to differentiate, because codependents idealize and often happily self-sacrifice for their partner. When differences and serious problems are largely ignored,

minimized, or rationalized, it looks more like codependency, because we're not really seeing or loving the whole person.

Addicted to Romance. The Life and Adventures of Elinor ...

Romance is like alcohol — it can become an addiction, consuming us, destroying lives and ruining relationships with those closest to us. Some people can't seem to get enough of it. They seek it out in the most unacceptable of places — their friend's spouse, a young impressionable co-worker, or an ex that they can't quite seem to let go of.
