### Tools, Worksheets, Behavior Charts, ADHD.

Attention Deficit Hyperactivity Disorder (ADHD) is a condition that makes it hard for children to pay attention or sit still. It is one of the most common childhood conditions. Symptoms of ADHD include inattention, hyperactivity and impulsivity. If left untreated, these behaviors can cause difficulty at school, at home and with other activities.

### Adhd Worksheets - Printable Worksheets

Eric's thoughts on homework: Homework between therapy sessions is like the peanut butter and jelly between the two slices of bread. If you're really hungry, the two slices of bread will do, but it's going to be a whole lot more satisfying if you have something to put between those two slices of bread.
