Postcolonialism is the academic study of the cultural legacy of colonialism and imperialism, focusing on the human consequences of the control and exploitation of colonized people and their lands. Postcolonialism is a critical theory analysis of the history, culture, literature, and discourse of European imperial power. The name postcolonialism is modeled on postmodernism, with which it shares ...

**Africa And France Postcolonial Cultures**

Africa and France reveals how increased control over immigration has changed cultural and social production, especially in

theatre, literature, film, and even museum construction. A hatred of foreigners, accompanied by new forms of intolerance and racism, has crept from policy into popular expressions of ideas about the postcolony and ethnic minorities.

**Postcolonialism - Wikipedia**

The French colonial empire constituted the overseas colonies, protectorates and mandate territories that came under French rule from the 16th century onward. A distinction is generally made between the "first colonial empire," that existed until 1814, by which time most of it had been lost, and the "second colonial empire", which began with the conquest of Algiers in 1830.
