Air Plant - LiveTrends Design | Living. Design.

I love all plants equally. And I could never choose my favorite plant, much as most of you could never choose a favorite child or pet. But if I mean if you twisted my arm—I'd be forced to say that air plants are the Coolest.

How to Decorate With Air Plants | HGTV

When it comes to indoor plant care, air plants (Tillandsia spp.) are supposed to be some of the easiest. For starters, they don't even need water and nutrients through scales on their leaves—in the wild they survive just hanging onto the bark of trees and whatnot, catching rain and bird poop that comes their way.
