We may know what iPhone 12 will look like: All the design clues, from colors to sizes. A refreshed design, attractive new color and bigger sizes -- the iPhone 12 is almost here.

We may know what iPhone 12 will look like: All the design ...

Masked people of color fleeing the cities and the COVID virus for the weekend diversified the trail. After I consciously shed my provincial contempt for so many out-of-state hikers on the trail, my epiphany that day was that the magnificent diversity of Vermont's tree population in its autumn splendor screams a message to us in a time of creeping new racism: We are all people of color.

Are Black and White Colors? | Britannica

Bill Nye the Science Guy uses science facts to show why we all have different skin colors but also says we need to start treating each other as equals. Bonnie Burton July 19, 2020 8:16 p.m. PT
