Alone Together: Why We Expect More from Technology and ...

Sometimes it delivers, but much of our modern life leaves us less connected with people and more connected to simulations of them. In Alone Together, MIT technology and society professor Sherry Turkle explores the power of our new tools and toys to dramatically alter our social lives.

Alone Together Quotes by Sherry Turkle - Goodreads

In Turkle's latest book, "Alone Together," this optimism is long gone. If the Internet of 1995 was a postmodern playhouse, allowing individuals to engage in unbridled expression, Turkle describes it today as a corporate trap, a ball and chain that keeps us tethered to the tiny screens of our cellphones,...

'Alone Together' by Sherry Turkle - Review - The New York ...

Alone Together's overall theme is that we need to consciously consider the effects of new technologies on our lives and then pick and choose what we want to adopt, rather than simply accepting technologies without thinking.

Amazon.com: Customer reviews: Alone Together: Why We ...

Alone Together is the result of Turkle's nearly fifteen-year exploration of our lives on the digital terrain. Based on interviews with hundreds of children and adults, it describes new, unsettling relationships between friends, lovers, parents, and children, and new instabilities in how we understand privacy and community, intimacy and solitude.

Alone together : why we expect more from technology and less from each other / Sherry Turkle. In "Alone Together," MIT technology and society professor Sherry Turkle explores the power of our new tools and toys to dramatically alter our social lives. It's a nuanced exploration of what we are looking for--and sacrificing--in a world of electronic companions and social networking tools, and an... Full description

Alone Together | Guide books

For Turkle, we are becoming alone together because, while we are ever more connected to each other by parallel channels of communication technology, that same technology is now inviting us to step back from deep engagements with each other and be satisfied with something altogether more shallow.

Alone Together: Why We Expect More from Technology and ...

Alone Together: Why We Expect More from Technology and Less from Each Other by MIT professor Sherry Turkle is one of the most enlightening books about the ethical and social repercussions of technology I have ever read. Interestingly, I read it on my Kindle, where I recently learned how to use the highlighting and notes function.
