Jim Crow and Apartheid (segregation systems  
in Racist America and the Afrikaner South  
Africa)

This article argues that racial segregation  
is crucial to explaining the emergence of the  
urban underclass during the 1970s. A strong  
interaction between rising rates of poverty  
and high levels of residential segregation  
explains where, why and in which groups the  
underclass arose. This argument is developed  
with simulations that replicate the economic  
conditions observed among blacks and ...
