This is the 5th in the series that I've read -- previous include American Comic Book Chronicles the 1950s, 1960s (2) & 1970s -- & I found it very informative & an easy read. Looks like the author ran into a time crunch since several of the later chapters were written by others, but overall the prose is clear & concise, if not particularly flashy.

American Comic Book Chronicles #4 - The 1960s (Issue)
Chris, it seems that you are talking as much about the book you wanted to read as this book that actually exists. I don ' t find it surprising, myself, that a book titled " American COMIC BOOK Chronicles " doesn ' t cover strips or editorial cartoons.
