American Insurgents, American Patriots In 1774 a popular insurgency, led by "ordinary Americans" and organized into local committees of safety, was sweeping the Thirteen Colonies.

Book Review: American Insurgents, American Patriots and ...

T.H. Breen's American Insurgents, American Patriots: The Revolution of the People (Hill and Wang, 2010) is a timely look at the period between late 1773 and mid-1775: the period, he argues, in which the American Revolution was effectively begun (in this he agrees with John Adams, who wrote in 1818 that the Revolution had occurred in the "minds and hearts of the people" before the first shots were fired).

American Insurgents, American Patriots: The Revolution of ...

"American Insurgents, American Patriots is one of the most compelling accounts I've read of how 'the people' forged the Revolution." — Thomas S. Kidd, Books and Culture "American Insurgents, American Patriots is a much-needed corrective to the notion that the Revolution was the product solely of intellectuals and pamphleteers . . .

Book Review: American Insurgents, American Patriots by T ...

American Insurgents, American Patriots reveals startling details of the alienation and anger that pervaded the minds of thousands of Americans long before shots were fired on Lexington Green. This is a book that deepens our understanding of the American Revolution--and it's a great read in the bargain!
