An Astronaut's Guide to Life on Earth
Summary. "An astronaut is someone who's able
to make good decisions quickly, with
incomplete information, when the consequences
really matter". "It sounds strange, probably,
but having a pessimistic view of my own
prospects helped me love my job". "However,
success, to me, ...

An Astronaut's Guide to Life on Earth isn't a
compendium of hagiographic profiles; it's a
very human glimpse into a rarefied world.

Bound together by a love of exploration and
discovery, tested by tragic catastrophes and
everyday hardship, the men and women Mr.

Hadfield introduces us to are real people:

They fail, they succeed, they worry, they
miss their families, they go to space and do
things never done before.
