The Happiness Hypothesis Quotes by Jonathan Haidt  
Fulfillment Quotes. When man lies in her womb, she is fulfilled, each act of love a taking of man within her, an act of birth and rebirth, of child rearing and man bearing. Man lies in her womb and is reborn each time anew with a desire to act, to be. But for woman, the climax is not in the birth, but in the moment man rests inside...

And it changed my life. Here 's what I discovered: Love the present moment. Fully accept it and fully love it. It took me a long time to understand that you can want to change or move towards a goal, and still love where you 're at now. Life is about living and embracing each moment, not looking to some future that will never come.
