The Angles were a Germanic people of unknown origin. Their name seems to be connected with Angeln, a modern district in Schleswig-Holstein, Germany. The Angles, together with the Jutes, Saxons and Frisians, were among the Germanic tribes who sailed across the North Sea in the 5th century to invade Britain. The various tribes were later called "Anglo-Saxon".

The Anglo-Saxons were the dominant people living in England from the mid-5th century AD until the Norman conquest in 1066. They spoke Germanic languages and are identified by Bede as the descendants of three powerful tribes. These were the Angles, Saxons, and Jutes. Their language, Anglo-Saxon or Old English, came from West Germanic dialects. It changed into Middle English from about the 11th ...
