Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

I love drawing but I absolutely hated my Art History class. I really found it boring and a waste of my time. I enjoyed looking at the paintings but I hated having to learn everything about it. I just wanted to create art, not memorize useless details. However, I feel like this doesn't really make a true artist, though since I wasn't really fascinated by it like the students in my class...
