in Doctor Who and its spin-off series, Torchwood. The character first appears in the 2005 Doctor Who episode "The Empty Child" and subsequently features in the remaining episodes of the first series (2005) as a companion to the series' protagonist, The Doctor. Subsequent to this, Jack became the central character in the ...

Jack Harkness - Wikipedia

A Lua é o único satélite natural da Terra [nota 1] e o quinto maior do Sistema Solar. É o maior satélite natural de um planeta no sistema solar em relação ao tamanho do seu corpo primário, [nota 2] tendo 27% do diâmetro e 60% da densidade da Terra, o que representa $1/81$ da sua massa. Entre os satélites cuja densidade é conhecida, a Lua é o segundo mais denso, atrás de Io.
