1-9. Corporate managers work for the owners of the corporation. Consequently, they should make decisions that are in the interests of the owners, rather than their own. What strategies are available to shareholders to help ensure that managers are motivated to act this way? Shareholders can do the following. i.

Corporate Finance Questions and Answers | Study.com

Corporate finance, as I define it, covers every decision a firm makes that may affect its finances. Consequently, I divide my discussion of corporate finance into five areas. The first is the objective function, where we define what exactly the objective in decision making should be. The second is the investment decision, where we look at how a ...
