RX-7 FD - Part 24 - How To Install Apexi Power FC and a Test Drive

cars. When the PowerFC came out, Apexi Japan went to a number of shops and certified them as "PowerExcel" shops. These shops had a software program called "FC Pro" for tuning customer's cars with. An end user could take their car to a shop, ask for a PowerFC, and the shop would install it and tune it with their FC Pro software. The

Apexi User Manuals Download - ManualsLib

The Apexi Power FC is a powerful standalone ECU solution that plugs right in to the factory harness. You can choose to purchase it as delivered from Apexi with their base program loaded but we've found this program is pretty poor and is really only good for getting the car started- lots of tuning needed to get it to run right.
