General Treatment. While serving as a valuable resource for the experienced student of Claudian, the in-depth monograph Cameron 1970 also offers much to the reader new to the poet. For a short guide to the poet, see the clear summary of Barnes 2005, which places Claudian's literary output in context. Hofmann 2003 offers a concise introduction with signposted bibliographical leads.

The Literary Agenda is a series of short polemical monographs about the importance of literature and of reading in the wider world and about the state of literary education inside schools and universities. The category of 'the literary' has always been contentious. What is clear, however, is how increasingly it is dismissed or is unrecognised as a way of thinking or an arena for thought.
