Henry Drummond (evangelist) - Wikipedia

There is no time like the present to begin to understand where man came from and where he is going. In fact, today is as good any to begin. In "The Ascent of Man," the author takes one final look at evolution of the species and takes it to the next level of development. He asserts that science ...

The Ascent of Man eBook by Henry Drummond | Official ...

Henry Drummond, the influential Scottish scientist, Free Church minister, explorer and evangelist published his Lowell Lectures as The Ascent of Man in 1894. This provocative book examines Darwinism in a Christian context. It describes the rise of man, who is considered the highest purpose of the universe, and his relations with the lower animals.
