The 2020 Audi TT Roadster features an acoustic folding roof that allows you to bring the top down with one touch. The soft top contains an electrohydraulic drive system to raise or lower at driving speeds of up to 31 mph. It was developed with lightweight construction in mind for positive benefits to the power-to-weight ratio.

### **Audi TT Roadster Quick reference guide - VAG Links**

The TT has an emergency release for the fuel cap and the boot lid. I'd expect there is an emergency procedure for the roof too. Must be described in the manual. It requires a special tool (that may come with the car, I don't know). And from what I understand, the mechanism is a bit fragile. But since I don't own one, I can't help in detail.
