Augustine is usually numbered among the pessimists. I'm sure many readers remember being taught Augustine in this way. Political Augustinianism belonged with Machiavellianism and Hobbesianism as a way of looking at the world that stressed evil, cruelty, violence, and a concomitant need for order, coercion, punishment, and the occasional war.

Augustine and the Limits of Virtue. The author shows that, while Augustine clearly acknowledges his differences with philosophy, he never loses his fascination with the Stoic concepts of happiness and virtue, and of the possibility of their attainment by human beings. This fascination is seen by Wetzel to extend to Augustine's writings on grace,...
