4600 Series IP Telephone LAN Administrator Guide - Avaya
If someone has a guide on how to get the G450 programmed step-by-step using CLI and want to share, I am sure lot of people like me will appreciate. I am quite sure I forget a lot of things (like sync, just remember now while writing this message) that is way I would love is someone share with us that piece of info. Thanks in advance

Maintenance Procedures for Avaya Communication Manager ...
10 4600 Series IP Telephone LAN Administrator Guide Sets that support both protocols, for example, the 4610SW, do not support each protocol simultaneously. Instead, a given telephone must be loaded with software that supports one protocol or the other. Telephones with H.323 software work only with Avaya Communication Manager call servers.
