End of Year SALE - Newborn Posing

Posing the baby naked, or swaddled with blankets, is something that you'll decide, hopefully after a conversation with the baby's parents to see what they prefer, and what photo theme they want. You WILL eventually run into a fussy baby at times while posing during the session.

Baby Posing Guide for Photographers - Design Aglow

Posed/studio sessions - Typically must be done within the first 2 weeks of birth when the baby is very sleepy and "mold-able". The focus in this type of session is on shots of the baby looking perfect, usually in blankets, wraps, hats, & headbands. The session can last up to 4 hours with feeding, potty breaks, and posing.
