This compilation of free audio files—from the Cornell Lab's Macaulay Library—is full of common species found in backyards, parks, and suburban habitats throughout the United States.

EASTERN AND CENT ...

The Backyard Birdsong guide Why Birds Sing
Whatever her standards, it is the non-singing female songbird we can thank for all of the song that we hear. Over evolutionary time, females have chosen males who sing in certain ways; those males father the offspring, who then inherit the genes to sing like their fathers or be as choosy as their mothers.
