At first glance, the title Bangkok Noir reads like an oxymoron. Given the sunny climate and the side-up dispositions of most Thais, invoking the word "noir" next to Bangkok seems a mite strange because the French word for "black" is more a state of existential despair than a genre of film or fiction.

One of the most original books I have encountered in quite some time, Bangkok Noir is a story that felt was somewhat unbalanced in its straddling of genres, but well-told, and exquisitely detailed. Lisabet Sarai captures the essence of the Bangkok experience beautifully, delivering on the local quirks and cultural nuances that really serve to orient the reader in the world of Diana and her

Of the many noir anthologies to hit the shelves in recent years, only one other is set in Asia, Noir. To add to the allure of Bangkok Noir, two of the 12 stories are by Thai authors, although women don't figure at all which is a bizarre omission. The major question I have in relation to anthology is whether it's actually noir.
