Behavior in Public Places by Erving Goffman

Behavior in Public Places Quotes. "The act of staring is a thing which one does not ordinarily do to another human being; it seems to put the object stared at in a class apart. One does not talk to a monkey in a zoo, or to a freak in a sideshow— one only stares." "Morning and lunchtime are times when anyone can appear alone almost anywhere without...

Human behaviour, experiences and social interactions in public spaces are believed to be the result of the processes of the mind that are influenced by the different features of these spaces. These features may be physical, social, cultural or sensory

HUMAN BEHAVIOUR IN PUBLIC SPACES

You never know when someone is watching your behaviour in public places .. in the 60s a sociologist was observing, noting and published a book! This was Goffman. I have NO idea if I'll write a review of this work one day, but all my notes/citations are available, they can give you 'glimpse' of what this 'report' (as Goffman says) is about.

Strategic Interaction, University of Pennsylvania Press, 1969. Relations in Public: Micro-Studies of the Public Order, Basic Books, 1971.

Behavior in Public Places Quotes by Erving Goffman

Find a quiet place and just sit and focus on your breathing. After a while, you'll feel everything slip away. What's left is your self. Ask yourself questions and answer honestly. Ask your friends and family what they see about you. Ask them how they think you could improve your behavior, and where they think any outbursts come from.

Behavior in Public Places: Notes on the Social ...

You can write a book review and share your experiences. Other readers will always be interested in your opinion of the books you've read. Whether you've loved the book or not, if you give your honest and detailed thoughts then people will find new books that are right for them.

Behavior in Public Places: Notes on the Social ...

The best places to observe people have probably always been the bazaars and marketplaces, the ports and public squares, anywhere where people gather to carry out the essential realities of life: commerce, travel, relaxation; Anywhere they are unaware and not self-conscious.
