Sadly, the "study guide"  
section of the main book  
(for which this is a study  
guide towards) is just as  
good as the review section  
within the study guide.

While the questions in the  
study guide are different  
and more varied, whether  
renting or buying, you are  
mainly paying for questions  
and answers you can find on  
the Internet.
