With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

Beyond Metropolis studies planning and governance in the regions surrounding the twelve cities in Asia with populations over ten million: Tokyo, Mumbai, Beijing, Karachi, Metro Manila, and Seoul. These regions are greater than cities plus suburbs: for almost all, development has sprawled into the surrounding countryside, enveloping villages, towns, and small and medium sized cities, creating "extended metropolitan regions."
