Big Capital: who is London for? | Anna Minton | Housing Crisis

Anna Minton's Big Capital uncovers the processes of extracting the most value out of a global city – a process that I would argue can be described as social cleansing. Her work shows clearly how this process values people only for their wealth, how much they earn and how much square footage they take up.

As she did in 'Ground Control', Anna Minton takes the reader of 'Big Capital' beyond the debates around housing policy—in which neighbourhoods should the government spend its subsidies and from whom ought subsidies be withheld—and introduces us to the very people who live with the results.

Amazon.com: Customer reviews: Big Capital: Who Is London For?

Houses were once places where people lived; today, first and foremost, they are financial assets. In *Big Capital*, the journalist and academic Anna Minton seeks to explain why the property market is broken and who is to blame. In a slim, readable volume of fewer than 200 pages, she gives us a convincing account.
