A boy takes charge to help his beloved salamanders. Evan can hardly wait

**for Big Night. During the first warm night rain of spring—Big Night—spotted salamanders by the hundreds crawl out of the woods and down to a natural pool across the road. There they will breed and lay their eggs.**

**Big Night for Salamanders: Sarah Marwil Lamstein, Carol ...  
On the first warm rainy night of spring — Big Night — spotted salamanders by the hundreds crawl out of the woods and down to a vernal pool, where they mate and lay their eggs. Evan and his parents know the salamanders need their help, for a road interrupts the salamanders' path to the vernal pool.**

**Big Night for Salamanders, School And Library by Lamstein ...  
That's Big Night. Here's what happens: Rain falls onto pavement, backyards, cars, houses, and also treetops and leaves and the forest floor. This rain calls to the frogs waiting under leaf litter and to salamanders inside the hollows of downed trees. Or maybe it's the warmth that calls to them.**

**“Big Night” for Salamanders - Hitchcock Center  
In Big Night for Salamanders, by Sarah Marwil Lamstein, young Evan and his nature-loving parents are about to celebrate an evening they've been waiting for all year.**

**Big Night for Salamanders - A Book And A Hug  
If the rain continues and it remains above 40 degrees as darkness descends, it's Big Night for the Pioneer Valley's spotted salamanders. The eight- to nine-inch, jet black and canary yellow-spotted amphibians will leave their woodland habitats and crawl to temporary spring pools (also known as vernal pools) where they mate and lay their eggs.**

**Big Night: Teaching Kids About Vernal Pools • The National ...  
This slight story is a vehicle to introduce a natural history phenomenon, the “Big Night” of salamander migration. Benioff's gouache paintings, many on double-page spreads, show the salamanders in their habitat, a mixed-race boy whose enthusiasm shows in his body language and, once, a dog slyly stealing a cookie from the boy's plate.**

**Big Night for Salamanders by Sarah Marwil Lamstein  
Big Night for Salamanders \$10.00 per person or \$30.00 per family (10% member discount) Birds aren't the only animals that migrate. Every spring, on the first warm rainy night, the mole salamanders emerge from their hidden homes to make the long journey to the vernal pool to reproduce.**
