BIM Management Handbook : David Shepherd : 9781859466056  
BIM Management Handbook reviewed. 11 January 2016 | By Robert Kiaschka. For a committed level 2 BIM supporter, as I am, the book is at times a little like a conversation with someone holding the same political views. But in the wider context of Level 2 BIM, there are different types of need.

The BIM Management Handbook: Shepherd, David ...  
An authoritative and practical road map for those implementing and managing BIM workflows. With the 2016 deadline for BIM level 2 fast approaching and the growing realisation of the huge benefits BIM brings these skills are becoming industry essentials. Concentrating on the how rather than the why this will help you to adapt by clearly, and without jargon, explaining standard BIM processes ...

The BIM Management Handbook | Taylor & Francis Group  
The production of this handbook has been a pan-European collaboration of public sector organisations across 21 countries. This collaboration is the EU BIM Task Group, co-funded by the European Commission.
