Biology Multiple Choice Quizzes

In the multiple choice section of the AP Biology test, you will have 90 minutes to answer 63 multiple choice questions and 6 grid-in items. The multiple choice questions are composed of two types of questions, stand alone and data questions. Stand alone questions are your average multiple choice question and make up a little over half of the questions in the section. Data questions are a series of questions about a single data set (graphs, charts, experiment summary).
