Read Book Black Indians A Hidden Heritage

America's Black Indians, a hidden heritage
In *Black Indians: A Hidden Heritage*, William Katz writes that the number of Black Indians among the Native American Nations were "understated by hundreds of thousands"; and that by comparing pictorial documentation to verbal and written accounts it is clear that when Black Indians were spotted in these settings, they were often simply not remarked upon or recorded by white chroniclers of the era.

Black Indians

BLACK INDIANS: A HIDDEN HERITAGE provides a definitive account of a largely overlooked segment of this nation's population, returning to new audiences an outstanding treatise of antique prints, photos, and research.
