SCARICA LIBRI GRATIS

As one rioter eloquently discusses in a piece about her experience with publishing as a woman of color, the publishing industry is heavily biased toward white men. This is a symptom of white supremacy. While I cannot personally take on an entire industry, I can choose to use my limited book-buying budget to support black-owned publishers.

Home - Black & White Publishing

The U.S. health care system uses commercial algorithms to guide health decisions. Obermeyer et al. find evidence of racial bias in one widely used algorithm, such that Black patients assigned the same level of risk by the algorithm are sicker than White patients (see the Perspective by Benjamin). The authors estimated that this racial bias reduces the number of Black patients identified for ...
