### Used car review: BMW E39 528i touring 1997-2000

None achieved this better than the E39 BMW M5 and the W211 Mercedes E55 AMG. These cars were both products of the early-2000s, with the M5 beating the Merc to market by a few years. Both represent the best that either brand was able to achieve with the since-abandoned philosophy of putting mechanical engineering first and only supplementing it with minimal electronic interference.
