BMW R60/6 - BM Bikes, BMW Motorcycle Information
I am feverish about buying a vintage BMW. I know very little about them but have been reading everything that I can find on the big wide web. Recently I saw two bikes: 71 R60/5 and 74 R75/6 - they are both absolutely beauties. I have had a chance to ride the R75. Somehow, I saw the R60 for sale and is very appealing.

BMW Airheads Review: R60/6, R80, R65

BMW R75/6 - Motorcycle Specifications
In the case of Bill Kniegge, it took the chance finding of an old family photo lost decades earlier to realize why he built "Old 'N Fast," his BMW R75/6. Never a dull moment it's always an adventure with Bill, and as I chase him along the roads that connect our homes, today is no exception.

1976 BMW R75/6 Black Custom | Watch it run!
The R75 motor remains one of the smoothest, most dependable engines BMW ever built; they were in production from 1969 through 1978 in the /5, /6 and /7 series and then it was slightly grown into the R80 for a very short run. Bob owns a R75/5 with 160,000 miles on it so far.
